Perv, a new international film and video festival dedicated to queerotica, is currently seeking entries for its inaugural program. Perv will showcase some of the latest and greatest audio-visual material representing and catering to queer desires. From the sensual to the lewd, the silly to the serious, the subtle to the shamelessly upfront, the Perv program will explore the full spectrum of queer erotic imagery in a four day program of screenings, installations, panels, parties and play.

Perv is looking for brand new work as well as well-aged erotic moving imagery that addresses itself to queer identities, practices and desires. All genres and categories are welcome: documentary, fiction, experimental, short and feature-length works, we want them all.
